Summer Program Offerings

Swim Lessons Ages 3-13 yrs.

A program that fosters a love and respect for the water while putting safety first. From beginner to proficient, our experienced instructors and certified lifeguards assure a quality program in a safe and encouraging environment. We feature extended class periods and free open swim times at our beach for lesson participants and their families!

MiniKamp Ages 4-6 yrs.

This afternoon only day camp program is a great way for your younger children to enjoy summer camp without competing with the older kids. Campers will participate in a variety of age-appropriate, fun activities with their well-trained energetic counselors such as arts and crafts, hiking, swimming, group games and outdoor exploration. This program is the perfect opportunity for your child to meet new friends, learn new skills, and discover the fun of Summer Camp!

Afternoon Day Camp Ages 7-13 yrs.

Designed to complement your child's Camp Parkside experience by providing an active, fun-filled afternoon led by an experienced team of staff from around the world. Bring your swimsuit and adventurous spirit and we will supply the fun! Why allow your child to sit at home when they could be making new friends, learning about themselves, and participating in activities such as archery, swimming, kayaking, outdoor laser tag and arts & crafts? One-way bus transportation is provided from Parkside Middle School to Camp Lakotah for those enrolled in both Camp Parkside and our afternoon Day Camp Program. Parents pick up from Camp Lakotah at 5:00 p.m.

Day Camp Ages 7-13 yrs.

Campers in our Day Camp benefit by enjoying all the same great activities and traditions as our Overnight campers, the only difference is they sleep at home each night! This is the perfect program for parents looking for a fun and safe environment for their school aged children all summer long, or for grandparents that are host to their grandchildren during the summer and want to keep them busy and happy! One-week sessions every Monday – Friday from June thru August.

Overnight Camp Ages 7-14 yrs.

Lakotah Overnight Camp is a special place where youth and teens learn about the environment, develop positive values, make meaningful friendships, learn new skills and increase self-confidence. In our community, kids grow and find themselves while having fun, building confidence and fostering independence. This 1 or 2 week overnight program provides something for everyone with traditional camp activities such as arts & crafts, fire building, archery and paintball to swimming and kayaking. The best part is when kids are having all this fun, they don't even realize they are developing the skills and values they need to practice while growing up.
